

Weight Management

MEAL REPLACEMENT VEGAN

Item No.: 5449166

As an innovative contract manufacturer, we develop and produce vegan alternatives for weight control diets – sweet and savoury!

We need a healthy balanced diet for a happy life and yet our everyday life is becoming increasingly hectic. Which is why our experts have developed a meal replacement that is nutritious and vegan as well as being highly practical.

Simply mix the powder with water – and you're done. It contains a perfect blend of vegetable proteins, carbohydrates, fatty acids and fibre with essential vitamins and minerals.

Benefits

- Vegan
- Proteins made from soy, pea, rice, almonds
- Replaces one or two main meals a day
- 210 kcal/ meal
- Prepare with water
- Contains essential vitamins and minerals
- Practical for breakfast or during the day
- Sweet and savoury varieties

i Also available in savoury varieties:

- Curry
- Tomato & pepper
