GAMING BOOSTER

Item No.: 5449147

Our Gaming Booster is a low-energy powdered drink that makes a delicious beverage when mixed with water. It is specially adapted to the needs of gamers and supports focus, performance and concentration.

The active ingredient formula is a special formulation that contains caffeine, taurine and guarana to provide a booster effect as well as vitamins. Vitamin B12 contributes to a healthy energy metabolism, nervous system, mental function, immune system and helps to reduce tiredness and fatigue.

The best part – the booster contains less than 0.5 grams of sugar per 250 ml. As a comparison, common energy drinks contain around 50 grams of sugar.

Benefits

- With 200 mg caffeine per serving
- With taurine and guarana
- With acetyl L-carnitine and L-tyrosine
- Contains vitamins B1, B6, B12
- Only 17 kcal per 250 ml
- Sugar-free
- Low energy
