

Required raw material information and quality requirements

for the purchase of raw materials by BHI Biohealth International GmbH

Product specification including

- Complete name of the raw material (Plant substances: Latin category and used plant part; other raw materials: CAS-number, structural formula, molar mass and amount of active ingredient)
- Country of origin, source (natural/synthetic) and all present carriers/additives (Conform according to Regulations (EC) No 1333/2008 and (EU) No 231/2012)
- For extracts: ratio, extraction solvent and statement regarding conformity of the extraction solvent according to Directive 2009/32/EC
- Statement regarding conformity according to Regulation (EC) No 178/2002 (Food quality and safety)
- Nutritional Values (Big 8 according to Regulation (EU) No 1169/2011, for protein powders: amino acid profile)
- Allergen table and statement regarding presence of nano materials and use of ionizing radiation according to Regulation (EU) No 1169/2011
- Statement regarding mandatory identification according to Regulations (EC) No 1829/2003 and (EC) No 1830/2003 (Use of genetically modified organisms (GMO))
- Statement regarding Novel Food status according to Regulation (EU) 2015/2283 in conjunction with Regulation (EU) 2017/2470
- Statement regarding conformity according to Regulation (EC) No 1881/2006 (Contaminants/ Heavy metals)
- Statement regarding conformity according to Regulation (EC) No 396/2005 (Pesticides) including ethylene oxide and pyrrolizidine alkaloids
- Statement regarding MOSH/ MOAH, confirmation that LOQs for MOAH are not exceeded (0.5 mg/kg raw materials < 4 % fat/ oil; 1.0 mg/kg raw materials > 4 % fat/ oil)
- Statement regarding conformity according to Regulation (EC) No 1441/2007 (Microbiology)
- Statement regarding suitability for diets (Vegan/Vegetarian/free from lactose/gluten)
- Flowchart of production process
- Material safety data sheet or statement that not necessary according to Regulation (EC) No 1907/2006
- Bulk density of the raw material
- Raw materials from animal origin: Statement regarding conformity according to Regulation (EC) No 853/2004 (Hygiene, BSE/TSE-Status)
- Organic raw materials: Control number and distinct labelling of organic status

Optional documents

- Statement regarding presence of fructose and yeast
- Statement/ Certificates of Kosher/ Halal-Status
- Statement regarding animal testing
- Statement regarding conformity to WADA list
