MAGIC MELT WITH Q-ACTIN™ CUCUMBER FRUIT EXTRACT

Melt away, move forward: Our lozenges with a fruity wild berry flavor melt on your tongue, releasing the innovative cucumber fruit extract Q-Actin™ as they dissolve. Q-Actin™ is a 100% natural active ingredient that supports joint strength and mobility. It is derived from carefully selected cucumbers (*Cucumis sativus* L.) with a particularly high ido-BR1 content and helps promote healthy joint function.

Q-ACTIN™ CUCUMBER FRUIT EXTRACT

The cucumber fruit extract provides a standardized 1% of the iminosugar ido-BR1 – an innovative approach to joint health.

This makes Q-Actin™ an exciting alternative to traditional glucosamine or collagen concepts.

VITAMINS & MANGANESE FOR JOINT HEALTH & FLEXIBILITY

- Vitamin C contributes to normal collagen formation for the normal function of bones and cartilage.
- Vitamin D helps maintain normal bones. Manganese contributes to the maintenance of normal bones.
- Vitamin E helps protect cells from oxidative stress.
