MUSHROOM CHAI LATTE

Item No.: 5449232

Our Mushroom Chai Latte is a truly soothing treat when it's cold outside. A temptingly tasty blend of Christmassy spices and cacao that will put a smile on your face from the very first comforting sip.

But our Mushroom Chai Latte has even more to offer: the functional mushrooms reishi, silver ear fungus and chaga make this drink a powerful package.

Our functional mushrooms are combined with vitamin C, which contributes to the normal functioning of the immune system. It is also important for the normal functioning of the nervous system, energy metabolism, collagen formation and helps to reduce tiredness and fatigue.

Inulin is contained in our Mushroom Chai Latte as a source of fibre to help you feel saturated more quickly and it has a lower calorie content than carbohydrates and proteins.

Benefits

- Contains 24 % selected functional mushrooms: Reishi, snow fungus and chaga
- With inulin
- With black tea, cacao powder and christmassy spices (cloves, star anise, cardamom, cinnamon and ginger)
- With Vitamin C (125 % NRV)
- No added sugar – contains naturally occurring sugars
- Source of fibre
