GREENS SHAKE

Item No.: 5449237

Essential plant substances and the fresh flavour of strawberry and lime – our green shake has everything you need to get your day off to a good start.

Wheatgrass, broccoli, spinach, matcha, spirulina and chlorella – our green shake contains 6 carefully selected plant powders. This is all complemented by a blend of digestive enzymes consisting of amylase, lactase, cellulase, protease and lipase. Carefully selected vitamins also help to maintain the immune system and spur the energy metabolism into action.

Biotin and zinc contribute to normal macronutrient metabolism.

Folate, vitamins B12, B6, C, D and zinc contribute to the normal function of the immune system.

Biotin, niacin, pantothenic acid, riboflavin, thiamine, vitamin B12, vitamin B6, and vitamin C contribute to a normal energy-yielding metabolism.

Benefits

- Delicious green shake in a strawberry and lime flavour
- Wide range of vitamins
- Concentrated amount of greens and algae such as wheatgrass, broccoli, spinach, matcha, spirulina and chlorella
- Contains a blend of digestive enzymes
